

Welcome to 1st Granborough Scouts!!

Thanks so much for coming along! We'd like to welcome you to the Troop and give you a few useful bits of information...

The Troop

1st Granborough Scouts are part of the 1st Granborough Group (that's Beavers, Cubs & Scouts) all looked after by Group Scout Leader Mark Weedon. The Group is supported by a great Exec Committee lead by Pete Butler.

The Leaders

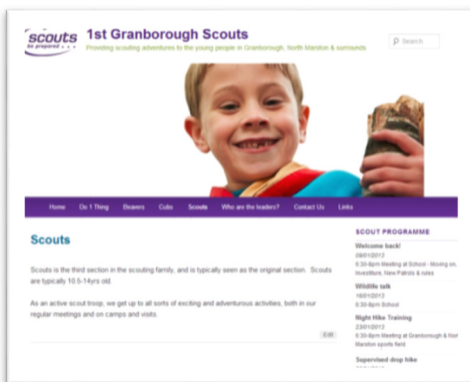

The Scout Troop is run by Mark Weedon, Steve Parslow and Bob Bowerman. There's more info on the Leaders on our website. We are a relatively new Troop (started in November 2012) and are growing rapidly to the point where we now have to operate a waiting list. We've got an active program and are keen to expand our community and adventure work. If you think you have friends or family you think could help teach the Scouts something interesting then let us know! You can find out loads of information from the national Scout website at <http://scouts.org.uk>.

Staying in Touch

We run a website to support both us, the Beavers & the Cubs.

<http://1stgranborough.co.uk/>

On the Scouts page you will find the next five weeks of the programme so you know what's coming up. You'll also see any additional info here (e.g. change of venue or time).

You'll also be able to see the Patrol points on this page... these are up to the minute... updated during the meeting!

We also use an automated texting system to send reminders and last minute updates. These can go to both Scouts and parents so please ensure we have the right numbers for you.

Please make a note of the leaders' numbers; you are welcome to contact us anytime if you need to ask something

Mark - 07827-352705 / 01296-670339

Steve - 07970-093429

Bob - 07710-477910

Your Information

If you've joined us from Cubs then we will transfer your records automatically, if you're new to 1st Granborough then please look out for an email introducing you to MyScout. MyScout enables you to keep us up to date with your emergency contact information & medical information. All the leaders have access to this at our events so it's vital that you keep it up to date.

The Costs

Subscriptions are £35 per term and reviewed annually. There is an additional £5 for the first term to (partly) cover the costs of membership books and initial badges. Some of our activities will also have an associated cost (camping, day trips, kayaking, etc). Scouting has a very strong inclusivity policy so please talk to us if you feel that the costs are prohibitive; we can secure grants from the Exec Committee to help; no one should miss out!

Please contact us if you have concerns, ideas, thoughts... whatever! We are determined to make 1st Granborough Scouts a fantastic Troop!

Mark, Steve & Bob
